

Life Application Study Bible Anniversary Edition NLT

Story by Miranda

I work at a Christian bookstore, and three weeks ago shared with a customer about how reading through the NLT Bible in 90 days changed my life and really opened up the Bible for me and helped me to better understand it. The customer was a regular who was a Jehovah's Witness. She bought the NLT Life Application Study Bible based on my recommendation and started reading it and a week or two later was saved, left the JW and came into the store to tell me that the NLT was so clear it showed her truths she had never seen before. Thank you so much for your translation!
